Debra Valencia To Debut In Design Design's March Catalog

Three Thank You cards designed by licensed artist Debra Valencia will debut with Design Design in the company's March 2009 catalog.

Floral Abstract Thank You features a feminine font and a magenta flower. Circulo With Gratitude in a blue-and-brown color scheme features circles and stripes. Finally, Dot Grid Thx in blue, white, and brown features an abbreviated text message instead of formal wording.

All cards are full-color and measure 3.875" x 5". They will be sold as three separate boxed sets.
