Debra Valencia Lifestyle Brand to Debut New Collections for Home Décor, Apparel & Personal Accessories at Licensing Expo 2014

posted in: [The Brand Liaison](#)

Lifestyle designer Debra Valencia and The Brand Liaison are proud announce expansion of the Debra Valencia™ lifestyle brand products to include home décor collections as well as women's apparel and personal accessories featuring the unique surface designs, color and artistry of Debra Valencia.

Building upon the initial market success of licenses for stationery, fabric, cosmetics, bath/body products and select home accents and personal accessories, The Brand Liaison, the U.S. licensing agent for Debra Valencia, is currently working with major manufacturers and direct retailers on additional license agreements and unique collaborations.

"The Debra Valencia™ decorative patterns have endless applications in stationery, gift, craft, textile and home décor", stated The Brand Liaison founder Steven Heller. "She already has hundreds of licensed products in the market with over 2 dozen manufacturers and we are now licensing her designs in new categories to expand the scope of the brand."

The unmistakable style of Debra Valencia, the artist, has garnered her namesake brand a sizable niche in the lifestyle marketplace. This provides added value to licensing partners through name recognition, reputation and the brand's history. Debra Valencia is an artist and a businesswoman. She does not simply lend a name to a product line. She remains intimately involved with her licensing partners to bring a quality product to the lifestyle market place. What makes the brand successful is that Debra is savvy about understanding women's lifestyles.

As an independent fashion forward woman herself, she is able to put that knowledge to work to create a world of artistic beauty. Her designs inspire women to be chic and stylish, turning everyday life into a lifestyle, whether it is expressing a personal fashion statement, decorating their home or entertaining friends. Debra is constantly seeking new ideas and inspirations. Her colorful designs and motifs have with endless licensing possibilities. Non-traditional?

Debra is authoring two sewing books for the DIY craft and consumer. The books will be published by Fox Chapel Publishing and are due to be released in 2015. Featuring her colorful fabrics, each project is designed to combine three or more fabrics for a fashion statement with clear, step-by-step instructions and pattern diagrams.
