Coloring Books for Adults Series by Debra Valencia

Arts & Crafts / Color / Design / Education / Illustration / Top / January 14, 2016

Enter a World of Creative Self-expression with Designer Debra Valencia's Relaxing Coloring Book Series for Grownups.

Designer Debra Valencia's new coloring book series; "Boho Paisley Coloring Book, Modern Flowers Coloring Book and World Beat Designs: Mandalas and More Coloring Book" are published by Design Originals, an imprint of Fox Chapel Publishing.

Debra Valencia's distinctive and original art explores a visual language of shape, form, line and color. Each vibrantly detailed illustration is designed to exercise creativity. The intricate motifs are perfect for decorating with markers, colored pencils, gel pens, or watercolors. The activity books each feature 32 black and white line drawings, hundreds of colored samples to spark the imagination, and tips on coloring techniques. Printed one side only on high-quality, extra thick paper to eliminate bleed through. Each page is perforated for easy removal for gifting and display.

Coloring books with sophisticated or theme-specific subject matter is a hot category of art-related craft activities for adults any age or gender. The increasingly popular hobby has been featured on mainstream national and international news with some titles selling over 6 million units to date. It is launching social clubs with home-based parties, meet ups at bars, and online groups with as many as 10,000 members each. It is part of a larger movement of getting back to an age of innocence, slowing, down, making something by hand, and unplugging from our digital devices.

As an additional bonus, the end user will find amazing wellness benefits as they take on an inspiring adventure of patterning, shading and coloring to unleash the inner artist, find stress-free peace and quiet meditative hobby time. For people going through health treatments, this is a wonderful past time that can be enjoyed by everyone. Even bonding generations with kids and teens coloring with grandparents. It's actually addictive in a good way.

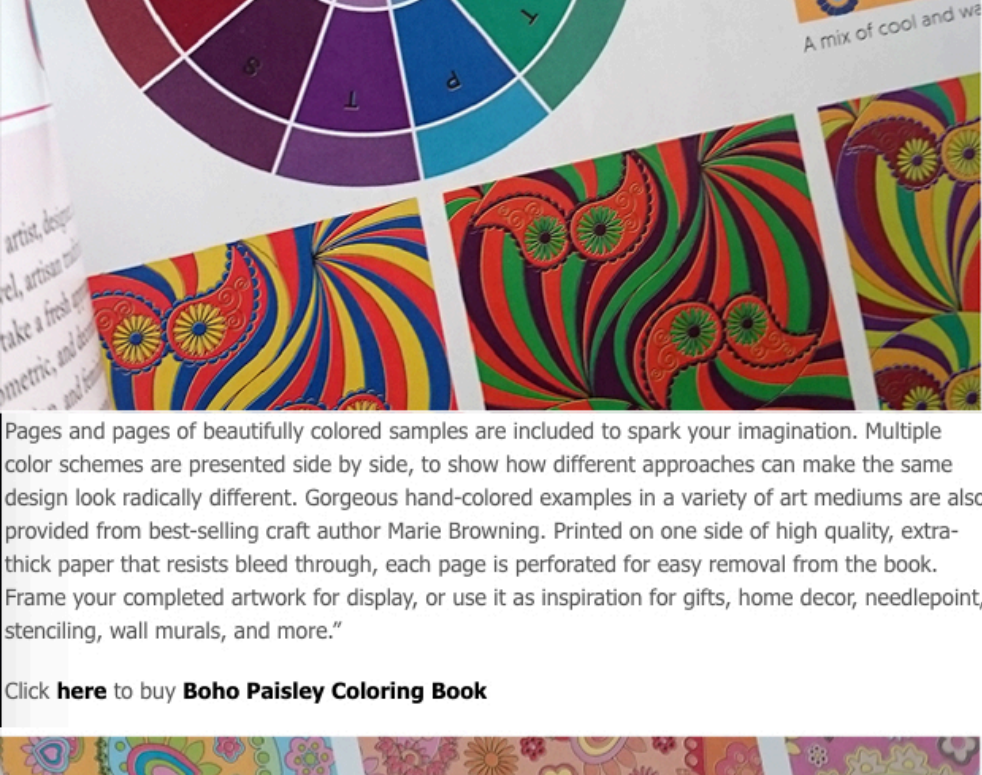

The coloring craze is spawning an array of spin-off products including coloring calendars, greeting cards, note cards, stickers, posters, wall décor, plates and more! Debra Valencia's art will also be featured in the first coloring calendar for 2016 also published by Design Originals.

Boho Paisley Coloring Book
