Debra Valencia Debuts New Shibori Collections With a Modern Twist

The [Brand Liaison](#) is launching a new Shibori collection by designer [Debra Valencia](#).

Valencia has created collections of Shibori prints, mixing traditional Shibori patterns with current motifs and modern color palettes. Select prints from The Valencia Shibori Collection can be found in stationery, bedding, and other home categories, starting this fall.

The Valencia Shibori prints are available as a coordinated artwork collection for categories including dinnerware, home accents, wall décor, social stationery, paper goods, craft, apparel, fashion accessories, and bath/beauty.

Building upon the market success of Debra Valencia licenses, including stationery, fabric, cosmetics, bath/body products and home accents and personal accessories, Valencia is currently working with major manufacturers and direct retailers on collaborations.
